

Redondo Union High School Cross Country and Track & Field Team

Although these sports are relatively inexpensive, our student run fundraisers do not fill our budget requirements. Additional expenses are needed towards race entrance fees, transportation & equipment, and athletes unable to purchase uniforms, shoes, or training camps.

We are asking families and business to donate an item, basket, gift card/certificate, or service. This is a great chance for local business to support our community and schools.

Or if you would like to make a company donation purchasing equipment such as Field equipment, or a Clock/Timer, we will dedicate it to your company.

These athletes are one of the hardest driven and academically gifted team mates on the RUHS campus.

Any donation you give would be much appreciated. By donating to this nonprofit organization, we will acknowledge your business or your family at our next event.
