

Redondo Union High School

Dear Parent/Guardian:

Transportation is provided by the school to most away meet. On **rare** occasion, alternate transportation may be necessary from the meet. However, **ALL** athletes are expected to ride the buses. Extenuating circumstances that differ from this **MUST** be **PREAPPROVED** by Coach Ferron **PRIOR** to the meet day. The permission form below must be complete and turn into Coach Ferron prior to the meet day.

Additional guidelines that must be followed:

- Students must have parent permission to ride with another student's parent.
- **Students are not allowed to drive themselves or any other student under any circumstances.**
