

Bishop Amat Relays - Preliminary Results

Citrus College, Azusa - March 12, 2011

Notes regarding these times and splits:

- * There are still some results to be updated, but almost all are accurate, with the Event Times, Distances & Heights taken from the official results.
- * PRs are not fully documented and still need to be compared to the last couple meets. PRs will be updated soon.
- * Please email all corrections ASAP, as this set of results will be replaced with the final version soon.
- * If you see that you are listed as "No Name Reported", it's because I couldn't identify you. Some names are misspelled. Email me your corrections.
- * Splits with times showing 2 decimal places were recorded by the stop watch.
- * Splits with times without decimal places were read off and written down as you finished that split distance.
- * In the confusion of trying to get splits from multiple teams in the same race, some splits were lost.
- * Accuracy is suspect, especially on the short sprint distances, as judging when to take the split from up in the stands is difficult.
