

WARREN STAUFFER

SATURDAY — OCTOBER 1ST — 2011

XC INVITATIONAL

The Warren Stauffer Invitational offers a wide variety of competition on an extremely fast, flat course that is very spectator friendly. You'll see on any given year, a handful of CIF ranked teams, and others forging their way. The course can be easily viewed from multiple vantage points. with ease, you can get from one point to the other. Each race is spaced :30 minutes apart, and there is no overlapping. In addition, we pride ourselves in awarding medals to a large percentage of the field. We try our best to acknowledge a job well done. Our "bobble-head" trophies are back for 1st thru 10th place. Medals for the remaining 20 in each race. Lastly, our meet is fun! We have a DJ spinning the latest crowd pleasing hits all morning long. After the races are done, the competition is taken to the dance floor. We have a unique meet; hope you join us!
